May 4, 2018

Dear Parents/Guardians:

Beginning Monday, May 7, 2018, there will be a new way to make payments for your child's meals. The Hawaii State Department of Education (HIDOE) has contracted with Harris Solutions to modernize our meal payment and monitoring. You can check your child's school meal account balance online, as well as make payments with your Visa, MasterCard, Discover, or American Express credit or debit card.

In addition to helping the school take advantage of the latest technology, this service is a great convenience to you. By utilizing www.EZSchoolPay.com, you will not have to wonder if the check you wrote for meals actually made it to school and your children will be assured that meals will continue uninterrupted.

Features and options:

- * Send payments faster and directly into your child's meal accounts: Payments are credited within 10 minutes.
- * Mobile applications: EZSchoolPay is available from your device's app store and is available for iPhone, iPad, and Android devices. Receive alerts of low balances and make payments for your child's meal account.

If you would like to take advantage of any of the features mentioned above, you must create an online account with www.EZSchoolPay.com with your child's last name and student number, which is located under their name on the report card. Getting started is easy! Visit www.EZSchoolPay.com. The website will guide you to create an account and link your student(s) to the account before entering a credit/payment.

If you have any questions, please contact us at 266-7818.

Mahalo,
